

TURNING TOWARDS GOD

LIFE IS ALL ABOUT MAKING CHANGES

- Outward changes
 1. Moving to a new location
 2. Buying / building something new
 3. Changing relationships
- Inward Changes
 1. Personal growth change
 2. Relational improvement change
 3. Spiritual change - turning towards God (*1 Timothy 4:8 NKJV*)

STUCK IN A 40 YEAR HOLDING PATTERN (*Exodus 3:1-7, 10-12 NKJV*)

- Moses wasn't going anywhere
 1. His life had once held so much promise
 2. He had obviously given up the idea of doing anything significant
- God got his attention
 1. The burning bush - Moses could have passed it by
 2. When Moses turned aside was when God spoke and revealed Himself
- God was not done with Moses
 1. Gave him a new assignment - more than watching sheep
 2. Moses was to help God's people
 3. Moses did not feel adequate- who am I?

TURNING TOWARDS GOD

- Making a turn
 1. God is calling - to capture your attention
 2. Wherever you are, you can come closer to God
 3. The scriptures give us insight as to how to turn, where to turn (*Psalms 119:105 NLT*)
- He will expand your vision
 1. So many have a limited vision - just themselves
 2. Living and serving God - expands your vision and world
 3. Serving others - God wants you to help His people (*Galatians 5:13 AMP*)
- He will redefine your sense of self
 1. Many are asking the question Moses asked - who am I?
 2. Spiritually speaking, you are so much more in Christ
 3. Spiritually speaking, you have so much more going for you (*1 John 4:4 CSB*)
